Hi Susan,

We have received the drawings from Rene Mugnier's office. Now that we have it, we should schedule a Trustees meeting in 7 days (on 3/26/21) to agree on the bidding process. Please let me know your availability for Friday (3/26/21) afternoon.

The drawings are attached below. Rafiq

Susan,

I am attaching 5 pages showing the type of structural column and the balustrade system that Gennadiy had in mind. If you have any additional questions for Gennadiy, I can call Josephine and set up a conference call.

Please note that our condo association Trustees meeting is scheduled for Friday March 26 at 3pm. The agenda is to discuss the bidding process.

Conrad,

I hope you understand that I am not proud of myself when I don't live up to my own standards. I am fortunate enough to have a good friend who is an excellent editor. She minds my p's and q's.

I am happy with how it flows and the spacing of conversations.

**You don't have to read it.** It is basically the same as before.

Rafiq must have gotten the letter because the television was blasting in the downstairs apartment last night..

I suppose that is how they express anger.....

Anyway ..... I like this letter!!!

Talk to you soon, Susan
